

INTERNSHIP OPPORTUNITY near Seattle, WA

Audiology Extern: Hearing and Balance – Seattle Area

We offer a formal training curriculum within our speech and hearing clinic that comprehensively addresses the patient experience, from hearing evaluations, amplification and counseling techniques for all ages, in addition to balance testing. Dozens of externs from universities across the country have joined Evergreen Speech and Hearing Clinic for a comprehensive and educational 3rd/4th year. This is a great opportunity to learn from experienced and well-respected audiologists to advance your skills in seeing patients, but our unique business model will provide you with exposure to Speech Pathology professionals as well. Join our team of audiologists across 3 clinics to perform:

- Comprehensive audiologic evaluations for pediatric and adult patients
- Auditory Evoked Potentials
- Auditory Processing Evaluations
- Vestibular (VNG, cVEMP/oVEMP, vHIT)
- Aural Rehabilitation
- Tinnitus Assessments
- Newborn Hearing Screenings/Evaluations
- Hearing Aid Evaluation/Dispensing with Real Ear Measurements

Since 1979 the team at Evergreen Speech & Hearing Clinic has improved patients' lives through our numerous hearing related services. Our providers and professional staff focus on patient care that is evidence-based, comprehensive, outcome dependent and individualized.

This is a **paid position** located in Redmond, Bellevue, and Kirkland WA on the eastside of Seattle. Reach out to us to find out more!

Interested candidates may submit their questions, and/or unofficial transcripts, cover letter, CV, and letters of recommendation to internship@everhear.com
